Ways to Keep the Neighborhood Clean and Safe

1. **CURB YOUR DOG.** This is our NUMBER 1 COMPLAINT among our neighbors. As you are walking your dog, and nature calls, keep them on the strip of grass closest to the curb, as dog waste tends to damage grass and shrubbery. Remember to keep a plastic bag with you on walks to clean up any droppings.
2. Please pick up any trash throughout the neighborhood. If you don't read the "Community News" then please put it in the recycling bin instead of leaving it on the sidewalk.
3. Keep your street gutters and storm drains clean. With all the rain and storms that we have had lately, keep the storm drains near your house clean of leaves, sticks and debris. This will help the rain water drain more rapidly and stop the water from backing up into the roads.
4. If you see any possible code violations, feel free to call the county at (302) 395-5555
